Threat Updates

(U) RRM Canada is aware of reports that an old photo of former PM Stephen Harper wearing indigenous dress and make-up was possibly being misrepresented on Twitter. Our investigations show no signs of coordinated amplification and a CBC article debunking how the image was misused was the most widely circulated content regarding this image over the past 7 days. RRM Canada assesses with high confidence that this content was domestic in nature and did not elicit significant engagement or spread within Canada or elsewhere.

Operational Responses and Updates
