A quick addendum:

The attached assessment product, which mentions [redacted] was actually recalled in October 2019 by the DIR. See email that IAB was able to dig up.

As such, once we're able to ensure the information [redacted] is updated, we should be all good with [redacted]

As a result, DIR is asking that we ensure the most accurate and up to date information is reflected in our reporting. I'm proposing we send in a CC for this particular report as follows:

A new para under SYNOPSIS that says:
