**IAS Report on China's Foreign Interference Activities**TO: Jody ThomasC.C.: Dan Costello, Jordan Zed, Mike MacDonald

Jody,

Please find attached a special report prepared by IAS on China's foreign interference activities. This report was requested by former a/NSIA David Morrison in order to better understand China's foreign interference in Canada. It draws on over 100 CSIS raw and assessed intelligence reports, including a handful of limited "need-to-know" reports. My team consulted with CSIS extensively throughout the drafting process. CSIS concurs with the information and assessments in this report.

We recommend this report be provided to select Deputy Ministers and Cabinet Ministers. The members of the Security and Intelligence Threats to Elections (SITE) Task Force (CSE, GAC, and the RCMP), Interim Clerk, and Deputy Clerk in particular would benefit from receiving this report. Additionally, we recommend a briefing on this report's main takeaways s. 39 - Cabinet

s. 39 - Cabinet Confidence

We look forward to receiving your feedback on this report and approach.

Cheers – M.
