

For Public Release

... Something like this:

Office of the
Prime Minister

Cabinet du
Premier ministre

I've stood in the House of Commons and directly called out China for targeting Canada, including during elections.

This is not a new concern, and it's something we've taken action
(examples)

And it's something our security agencies - CSIS, RCMP, CSE are all working against every day.

But let me be very clear:

~~The 201~~ Canada has among the strongest, fairest elections in the world

Canada

Electons ~~are~~ held in Canada
have the highest integrity.

And that includes the 2019 &
2021 elections.

Some, (including in the opposition) are
trying to say the opposite.

~~They're trying to say~~ Those elections
were fair and delivered clear results.
