Good afternoon,

~

First off, apologies for the late email on a Friday. However, I wanted to provide you with an update on the FAI briefing to the NSIA and DM Stewart.

~

For Public Release

There has already been a change in the timing and location of the briefing. The briefing will take place on Friday, May 6 from 13:30 to 14:30 at PCO (80 Wellington Street). The participants will include the NSIA, DM Stewart, the Commissioner, AC Flynn and 2 SMEs only. FPNS – if you can please confirm your SME. FPNI – can you please confirm if  will continue to be the point of contact.

\\~

To accommodate for the change in time but in trying to keep in line with the approach discussed yesterday, the outline of the briefing will be as follows:

- 1.\\~ Opening Remarks (5 minutes)
- 2.\\~ FPNS to present TTPs and Examples (10 minutes)
- 3.\\~ FPNI to present on Sturdy Maple (25 minutes)
- 4.\\~ Campaign Planning (5 minutes)
- 5.\\~ Q&A (15 minutes)

\\~

The goal will be to set the stage to schedule another operational briefing, the next one being on Project SYNONYME. It is recommended that C Division continues to update their material/chart in preparation for the next briefing.

\\~

It is not lost on us that the change in the briefing timing and therefore, the outline is not ideal. Also, it is also more than possible that more changes may come. I will keep you informed of any further changes, if any. Should you have any questions, please do not hesitate to contact me.

\\~

Thank you in advance for your patience, flexibility and great work.

\\~

Have a good weekend.
