Thanks [redacted] and my apologies for the total breakdown in comms. I sent emails up the flagpole and just didn't get answers (let alone in a timely manner).

Keep the lines open, and we'll see what we can do. In the meantime, [redacted]

You'll have seen the news by now no doubt. Zhao is on his way out... we would still be very much interested in any further information you might be able to share [redacted]

[redacted] An updated assessment from your shop [redacted] would be quite welcome here at GAC.

Cheers,

Apologies, I was off Thurs/Fri. Please let me know if this is still of use; I sent it up the chain and haven't heard anything but am happy to shake the tree.

Hi [Redacted]

Is there any chance of us receiving any further material? As you know, we demarched Ambassador Cong this morning based on the information available to us, and any further information the service might have would certainly be of utility [Redacted]

~
Please advise.

Dealing with internal nonsense – need to know who, exactly, is going to receive the information (to the extent possible), please.

Good day [redacted]

I'm writing to get a quick convo going re: Zhao Wei. My understanding is you're putting together an analysis or something similar; I'm here to support as I'm able.

Let me know what you need etc.
