Hi Richard and [redacted]

Today, DMCIR decided that SITE updates should no longer go to Ministers' Offices every day.

Instead, DMCIR will provide information to Ministers if required.

As such, you are no longer required to provide daily copies to the Minister of Public Safety's Office.

Thanks so much for your help and assistance,

[redacted]

Thank you all. We are maybe being a bit overly careful, but we do take the dissemination instructions in the CSIS e-mails quite literally!

Glad we cleared all this up

Hi [redacted] and [redacted]

Our understanding is that DMCIR asked that the Office of the Minister of Public Safety, rather than the Minister, be added as recipients. So I think [redacted] proposal makes sense.

Thanks very much,

Thanks [redacted] You are right that MINO was not on the dissemination list.

PCO has requested that on a going forward basis MINOs will be included. We are aiming to include these new recipients to today's SITREP. To be aligned with the other Ministers Offices, I will add a request that you share with the COS and NS Advisor below as this is consistent with the other departments.

[redacted] - please add any additional information, if needed.

Thank you for the information.

Hi [redacted]

MinO is not currently receiving the daily SITE updates as they are not listed among the named recipients. We have been sharing with our DM, Associate DM, SADM and FI Coordinator.

However, if they are being added, we would share with the following:

1. Min (Marco Mendicino)
2. CoS (Samantha Khalil)
3. NS Advisor [redacted]

Please confirm if MINO is to be added to the distribution list.

Hi Richard,

As the SITE Products are named recipients dissemination list, could you please send me the name (s) of those individuals in MINO who you will disseminate to?

Thanks,

Hi Richard,

Thanks very much for your response, and glad to hear all is working well on your end.

Just wanted to flag that DMCIR had indicated that Minister's Offices, in addition to DMs, would receive them. But of course we leave the question of distribution within your department and your Minister's Office to your discretion.

Best regards,

[REDACTED]

Hi [REDACTED]. We have a longstanding process to disseminate intel to senior management including DMs. There are a number of us on my team, including myself who receives it. We also received the batch of 5 a couple of days ago and Cherie is making sure we get them daily. We are happy to continue doing this and will ensure our DMs get them.

Hi Sebastien and Richard,

I know you are very busy, so apologies, but just following up on this request.

Also, in terms of the logistics of getting the SITREPs to MINOs, CSE is asking if DMOs can provide them, rather than CROs.

Do you think this would be possible for PS?

Happy to chat further (Richard, potentially on the margins of your meeting tomorrow afternoon).

Merci!

Hi Sebastien and Richard,

Last week, DMCIR decided that the SITE Daily SITREPs should go to the Offices of a select group of Ministers, including the Office of the Minister of Public Safety.

Would you be able to let us know who in your Minister's Office should receive the dailies, so we can make sure they are added to SITE's distribution list?

Thank you,
