Hello Mr Yiu,

I obtained your email from a mutual friend [REDACTED]

I understand that you are interested in meeting, and [REDACTED] advised me of the subject of the conversation. I would like to arrange it when it is convenient for you. If you can advise me of when you are available, I and a colleague will attend.

I have a concern that based on your position in the community, that it might be necessary to approach what you might know and want to share in a confidential manner. There is a mechanism to do this if needed, which we can discuss in more detail.

I hope to hear from you soon,

Regards
